VISITENGLAND 4 STAR GUEST ACCOMMODATION

Natalie and Roger Best welcome you to our home, The Four Seasons Bed and Breakfast Guest House in Canterbury, Kent. The B&B is run entirely by the two of us and provides clean, well appointed bedrooms within a 10 minute walk of Canterbury and 15 minutes from the stunning Cathedral. Built some time in the 1930's the house has been run as a B&B since 1975 we ourselves have lived here since July 2000. Roger is an excellent source of local knowledge as well as being the laundry man, the waiter and the porter! Natalie would get lost outside of her own front door! so she sticks to the cooking,the cleaning and telephone reception. Our breakfast menu is large and varied offering far more choice than the traditional Full English Breakfast. For the evening Canterbury has a very wide selection of restaurants, pubs and bars. We are a couple of minutes walk to a bar serving drinks and bar food each evening and a ten minute walk from the oldest public house in Canterbury and another great pub serving good evening meals. Opposite our house is a bus stop from where buses run directly in to the City centre and outwards to the coast, countryside and University. Please visit our website to find out more about our facilities, location, special offers and discounts. For further information visit: www.fourseasonsbookings.co.uk
