

Bagpuss and Bear Christmas Window Trail

18 November – 22 December 2024

Bagpuss has been invited on a special Christmas tour of Canterbury by his friends, the Canterbury Bears. Their trip includes visits to local shops, restaurants, salons and cafés, where you will find them sharing a cup of tea, trying on hats, reading books together and more.

To join the trail, pick up a postcard and trail map from any participating stores. We recommend you start your adventure at **The Beane**y where you can visit the Smallfilms Exhibition (home to the original Bagpuss). Then it's time to head out to find Bagpuss and the Canterbury Bears across the city and claim a stamp at each trail stop.

Collect 5 stamps and head to **Fenwick Toy Department** to claim your mini prize. Those that make it to either **The Beane**y or **Cosmo China** (a china shop owned by the Firmin family on Palace Street) can collect a special star stamp, which means you can claim an extra prize when you visit Fenwick.

For those who complete the trail you are invited to enter a **special prize draw** where one lucky winner will receive a £100 Canterbury Gift Card and a Canterbury Bear!

All participating stores will have a poster displayed, so you know they are taking part. Turn over to see the full list of the businesses.

Please note – you will only be able to claim a stamp when the businesses are open, so please plan your visit in advance.
