

WELCOME TO THE BAY!

Herne Bay is a hidden gem of a seaside town on the Kent Coast with a glorious seven miles of accessible coastline (part of The Saxon Way) which you can walk or cycle along taking you to Whitstable or, in the other direction, to Reculver and on to Margate. Herne Bay has many wonderful cultural aspects to celebrate and view, along with a diverse range of local independent traders. There are also plenty of activities to keep the children happy with traditional seaside amusements, mini golf and fairground rides and games located on the pier and beach.

So, let's cycle or walk with an ice cream in hand along the promenade and beyond and take in the culture and history of the Bay!
